Call for Members on Editorial Advisory Board & Reviewers Board.

Sir / Madam

I’m writing because I would like to present an opportunity to you to join Pezzottaite Journals as member of ‘Editorial Advisory Board’, and ‘Reviewers Board’.

Pezzottaite Journals was materialized on 4th July 2011 with an objective to publish and dissemination of interdisciplinary quality articles, globally. Talented authors deserve attention not only from publishers, readers, but from society and corporate as well. Publishing articles is only the beginning of our mission. ‘To Build Long Lasting Relationships’ – is the ultimate purpose of Pezzottaite Journals.

Our business is to manage the knowledge and disseminate the information, globally. As a publisher, Pezzottaite Journals chooses to facilitate the global production and dissemination of research that focuses on issues of social, scientific and business importance. In initiation phase, we are strengthening ourselves in fields of Management Research. Pezzottaite Journals have vision to extend the scope of its portfolio into different disciplines soon. Pezzottaite Journals will expand its horizons in Case Studies Development and Corporate Training.

Pezzottaite Journals aims to provide the most complete and reliable source of information on current developments in the different disciplines. The emphasis will be on publishing quality articles rapidly and making them available to researchers worldwide.

Pezzottaite Journals is dedicated to publish peer-reviewed significant research work, delivering quality content through information sharing. Presently, we are working on to have associations with different databases, associations and search engines to get our journals indexed with them to generate impact factor for all our publications and to provide the maximum exposure to researchers associated with us.

We are looking forward for associations with different institutions, colleges and universities to assist them in getting papers published, consultancies and project work. We are intended to provide maximum exposure to our authors and their articles both at corporate and academic levels, nationally and internationally.

Pezzottaite Journals are confident of its rapid success.

As you know, the overall success of a refereed journal is highly dependant on the quality and timely reviews, keeping this in mind, all our research journals are peer-reviewed to ensure and to bring the highest quality research to the widest possible audience.

The selected papers submitted with us, will undergo Review Process by experts in area concern from all round the world. Publications are made in accordance to policies and guidelines of Pezzottaite Journals. Moreover, our Journals are accessible worldwide as ‘Online’ and ‘Print’ volumes.
Pezzottaite Journals seek academicians and corporate people from around the world who are interested in serving our voluntarily ‘Editorial Advisory Board’, and ‘Reviewers Board’ of our newly incorporated firm. Your professional involvement will greatly benefit the success of Pezzottaite Journals. It is crucial that you support us in accomplishing this goal by extending your professional assistance in a timely fashion.

Members are nominated by colleagues or by self-nomination and serve by invitation. Being on the Board of Journal (s) in any form is truly productive, pleasant and in fact prestigious which helps in add-on to the corporate, academia and scientific world through the ways and guidelines given by experts in the relevant fields. Though, it is time consuming and often goes unobserved, there are rewards that makes the ‘Editorial Advisors’, and ‘Reviewers’ worthwhile.

We strongly believe in our responsibility as stewards of a public trust. As a consequence, we strictly avoid even the appearance of conflicts-of-interest; we do not mix our personal giving with the organization’s work; we adhere to processes and policies that have been carefully developed to provide clear and objective information, and it is mandate for members to follow them.

The role of members includes but not limited to the following duties:

The ‘Editorial Advisory Board’, and ‘Reviewers Board’ first and foremost role is to develop and direct Pezzottaite Journals and contribute in our future plans.

To review submitted manuscripts as requested by the ‘Editor-In-Chief’ within deadlines, solicit articles from experts in subject matter area, organise special issues on current research topics, promote the journal at professional meetings and venues, submit articles for publication, nominate new members for ‘Editorial Advisory Board’, and ‘Review Board’, and to attend virtual board meetings via Internet or video conferencing, and above all to ensure that the journal will maintain its high quality. In addition, members will be asked to assist the “Editor-In-Chief” in recruiting manuscript submissions for new Journals. “Associate Editors” will also be responsible for providing an Editorial Preface for an assigned issue.

We need our ‘Editorial Advisors’, and ‘Reviewers’ to be the key figures in their professions and have experience of ‘Paper Publishing’, preparing ‘Thesis Abstracts’, writing ‘Book Reviews’ and developing ‘Case Studies / Case lets’.

Benefits:

- This work helps to add in and provides a better way to create ‘Two-facet Identity’ for both of us and will help your good self to develop as a well known expert in your field and may lead to increased invitations to speak at conferences or demand for invited research of your specialized area;

- You will be among the contributors who will shape and decide the urgent ways as required with changing societal needs;

- Your ideas and subject inputs may help in arranging special issues as per topics of your interest and choice;

- "Destiny is not a matter of chance; it is a matter of choice.”
  Anon

- “The best way to predict the future is to invent it now.”
  Art Costa

- “The best we educational planners can do is to create conditions for teachers and students to flourish and get out of their way.”
  Theodore Sizer
